

# R riverdistrict

Riverdistrict from Utrecht (NL) is the brainchild of Tim Nolet, who in 2010 released the well received album *Portrait of Portraits* as a solo project. In 2012 the album was followed by the EP *Canvas Holes* including the single *Walt Whitman*, now as a complete band. The dreamy sound of the first record was expanded with glistering guitars and firm swing.

Riverdistrict plays true alt. pop with dashes of surf, alternative rock and indie folk. Atmospheric songs with catchy hooks.
